Skree keycaps - actual-size print proof

Print at 100% / Actual Size. Disable Fit. Check the 100 mm line before judging size.

14 mm working top faces. Catalog order, not keyboard position. Not a factory proof.

100 mm calibration line

Check tiny labels, punctuation and F/J clearance at normal viewing distance.

Homing bars and colors are illustrative. Physical fit and illuminated contrast need FK confirmation.
